What room/rooms are you looking to E-Deesign? _____

How do you envision this space? For calming/resting, inspiring, working, play or all of the above? _____

Would you say you are drawn to a space with similar tones, patterns and textures with maybe a pop of color here or there, or do you like a room with multiple patterns, texture and color (I can send examples of these if needed)? _____

How would you most closely describe your style? Bohemian, glam, mid-century modern, minimalist, beachy, traditional, etc.? _____

What is/are your favorite colors? Least favorite? _____

Are there any patterns you are not a fan of (Polka dots, flowers, etc.?) _____

Attach a photo of your favorite piece of clothing!

If you could keep any items you already own for this space, what would they be? (attach photos) _____

If you have a Pinterest board for Design, invite us for a look! _____

Do you have a budget set for this project? _____

Do you have a deadline set for this project? _____

Finally, can you give us the square footage/dimensions of the room/rooms, and attach any photos that would be a great representation of the space, as is. _____

You're Done!
